*"Hope for North Brevard seeks to be a catalyst for restoring hope and unity to youth, families and our community".*

## Knight of Hope. A Knight to Remember

Hope for North Brevard with the help and support of Knight's Armament & several community partners, put on what some considered *"the event of the year"* at their Knight of Hope fundraising gala which was held on Saturday, February 22, 2014. The event included valet parking, VIP Reception, an exclusive tour of Reed Knight's private museum of military collectables, 4 course sit down dinner, live entertainment by TSO String Quartet & The MaddHatters Band, complimentary photos, open bar and live/silent auctions.

Our goals were to celebrate with our community partners, highlight one of our community assets in Knight's Armament and raise dollars for the programs and services of HNB and based on the feedback from those in attendance we feel we met those goals!

With over 25 Sponsors and 300 people in attendance we were able to raise over \$57,000 dollars which will be invested right back into our youth, families & local community. Thank you to all of our guests, sponsors, donors and volunteers for making it such a memorable night.
